Guidelines

- There are a minimum number of people who must be enrolled before a class can be held.
- The Life Enrichment Office will notify (to the best of their ability) all students if a course is canceled.
- Anyone with an idea for a course is urged to contact Outreach & Workforce Development by calling 307.778.1236.

Disclaimer

This schedule of classes, including tuition and fees, is not a contract, and the college does not assume liability for errors in scheduling or financial charges. Please call any discrepancies to the college's attention. Instructors for courses may change from those listed.

Pre-fill this form to expedite registration!

SEEK

Summer Educational Experiences for Kids

SEEK is a unique summer experience designed to challenge our young people. Its goal is to stimulate creativity through hands-on programs in arts, sciences and physical activities for students ages 5-12. Classes are designed for specific age groups. **SEEK** is open to all children who wish to discover and develop their talents.

**June 12-16 & July 10-14
2017**

*Bring a sack lunch
Please No Flop Flops*

lccc.wy.edu/lifeEnrichment/seek

**SEEK registration
opens at 7 a.m.**

SEEK

FREQUENTLY ASKED QUESTIONS

Where and when can I drop off my child(ren)?

Morning SEEKers may be dropped off at their classroom between 8:45-9 a.m. or, at the RAC building on campus in Multipurpose Room (MPR) between 8-8:45 a.m. **Students arriving after 8:45 a.m. will need to be taken directly to their classroom.**

Afternoon SEEKers are to be dropped off for classes at their classroom between 12:45 and 1 p.m.

What if my child becomes ill or has an accident?

They will be brought to CCI 109 and a parent will be called.

Where and when do I need to pick up my child(ren)?

Morning SEEKers can be picked up at 11:55 a.m. in their classrooms or at the RAC building after 12:15 p.m.

Afternoon SEEKers can be picked up at their classroom between 4 and 4:10 p.m. after 4:10 you can find them in CCI 109.

Who can pick up or drop off my child(ren)?

A responsible adult that the student knows well. Students must be signed out at the end of the day. They are unable to meet their ride in the parking lot.

How do I register if I have a certificate?

Certificate registrations must be done in person – the certificate must be present at time of registration.

When does my waiver need to be turned in?

6 business days prior to the camp start date.

Can I make payments or register without payment?

No – payment **MUST** be made in full at the time of registration.

What number do I call in case I need to change my child(ren) schedule or have questions?

307.778.4327 or 307.778.1236

Where do I find lost items?

In the MPR throughout the week and CCI 109 following the completion of camp. After 30 days they will be discarded.

Do you provide lunch for child(ren)?

Children must come to camp each day with a sack lunch. No microwaves will be available. The only exception are culinary classes that indicate lunch is included.

What if I want to be sure my child(ren) are in a specific class as a friend?

Due to Federal Privacy laws we are unable to discuss the schedule of other students.

What should my child(ren) wear?

Students will be active all day long. We highly suggest that they be dressed in comfortable clothing and shoes that will allow them to fully participate in their class. Please **NO FLIP FLOPS**. If they are registered in a water based class or for fit kids camp be sure to pack a swimsuit and towel.

Can my student have a cell phone or other electronic device?

Students are welcome to have a cell phone to call home if needed. We do ask students to keep their phones put away during class and lunch time.

Please be sure to read your parent letter and return necessary paper work.

A Bugs Life

Grab your lab coats kids! That's right you're going to be a bug scientist for the week! Explore various bugs' life cycles and their roles in the ecosystem. We will get our hands dirty and explore their environment, habitat, what they eat and much more! This hands on experience will be something you don't want to miss out on!

SEEK 1580.602 09:00AM-12:00PM EEC 211
Ages: 5-6 07/10/17-07/14/17 Kittie Cutler

An American In Paris!

Take a fantasy trip to Paris! Monday board an imaginary plane (mocktails, pillows, treats, and the fun of passport control). Then savor French bread and chocolate in a cafe while decorating a souvenir hat! Tuesday, explore Notre Dame, make a gargoyle, visit the catacombs for souvenir bones, and meet a mysterious chocolate maker. Wednesday, have your portrait drawn while you paint and nibble crepes! Thursday, float the Seine River, race a boat, make a puppet show and savor an Italian ice! Friday, it's a frantic shopping spree complete with tattoos and hair dye on the Champs-Elysees Avenue! Fun GAURANTEED!

SEEK 1031.602 09:00AM-12:00PM CCI 124
Ages: 7-9 07/10/17-07/14/17 Paula Egan-Wright

Aqua Adventure

Splash into summer with this fun water class! Play water games, learn the science of water, and create water crafts. Be prepared to get wet! Bring a towel, swimsuit, and sunscreen to class every day.

SEEK 1460.601 01:00PM-04:00PM HS 309

SEEK 1460.603 01:00PM-04:00PM HS 309
Ages: 7-9 07/10/17-07/14/17 Kristi Sullivan

Around the World in 5 Days

Do you dream of traveling to exotic places? Are you curious about the world around you? Join us for an exploration of different countries! We will make cool crafts, bake and eat native foods, learn traditional songs and dances, and have the adventure you've been waiting for. Every day, we will look at a different country and explore what makes it unique and awesome!

SEEK 1010.603 01:00PM-04:00PM BT 125
Ages: 5-6 07/10/17-07/14/17 Madison Kirkbride

Basic Tumble

Have you wanted to learn to tumble, cartwheel, round-off, handstand, or do the splits? This course offers kids basic skills that can transfer to many sports including gymnastics, cheer, soccer, football, track, and diving. Strength and flexibility will also be explored. Kids are welcome to wear leotards or workout clothes.

SEEK 1501.600 09:00AM-12:00PM HS 111
Ages: 7-9 06/12/17-06/16/17 Heather Tudor

SEEK 1501.603 01:00PM-04:00PM HS 111
Ages: 7-9 07/10/17-07/14/17 Heather Tudor

Be a Math π rate! 1

X marks the spot! Follow the math clues to the treasure. Help Leo the Rabbit hop his way to his carrots, investigate ice cream probability and combinations. Explore patterns and investigate math operations through problem solving. Explore mathematics through a different lens! We will solve non-routine math problems through hands-on exploration, discussion and collaborative learning. This class is similar to the Be a Math π rate 2, but with activities more appropriate for a 7-9 year old.

SEEK 1596.602 09:00AM-12:00PM TC 112
Ages: 7-9 07/10/17-07/14/17 Amy Kassel

Be a Math π rate! 2

X marks the spot! Follow the math clues to the treasure. Explain why every year must contain at least one Friday 13th. Take 27 small cubes, 3 each of nine colors and make a 3X3 cube so that each face of the bigger cube contains one of each color. Always win at Nim. Explore mathematics through a different lens! We will solve non-routine math problems through hands-on exploration, discussion and collaborative learning. This class is similar to the Be a Math π rate 1, but with activities more appropriate for a 10-12 year old.

SEEK 1601.603 01:00PM-04:00PM TC 112
Ages: 10-12 07/10/17-07/14/17 Amy Kassel

Braids and Folds

Have you ever wanted to learn how to make art from novel items, but weren't sure how to get started? This class involves the use of yarn, play dough, and other materials (even bread!) to learn the art of 3, 4, 5, and 6 strand braiding. In addition to this, you will utilize paper and table napkins to learn how to fashion unique designs. Enroll today so you can get started at making everyday things into art.

SEEK 1591.602 09:00AM-12:00PM TC 120
Ages: 7-9 07/10/17-07/14/17 Janet Tolman

SEEK 1591.603 01:00PM-04:00PM TC 120
Ages: 10-12 07/10/17-07/14/17 Janet Tolman

Brain Juice

Got your thinking cap on? This camp will stimulate both sides of the brain while we explore word, math and science problems. Building bridges, sending Barbie bungeeing, and dropping eggs without breaking them are some of the challenges we'll face. Students solidify their experience by reflecting on their skill while predicting future outcomes.

SEEK 1551.600 09:00AM-12:00PM BT 121

Electricity, Magnetism & Sound 101

Come do fun activities with electricity, magnetism and sound. Build electrical devices that "magically" move and levitate objects without touching them, that light up and produce a mild shock, map a magnetic field, make electromagnets and electric motors, learn how speakers work, learn about sound waves and vibrations, make a wineglass sing and break with sound waves. Use a strobe light to create optical illusions you have to see to believe! Note: This class covers many of the same topics as Electricity, Magnetism & Sound 202 for ages 10-12, but the activities and discussions are more age-appropriate for children 7-9.

SEEK 1457.600 09:00AM-12:00PM AT 128

¡SPANISH for AMIGOS!

Do you imagine yourself exploring faraway places, meeting new friends, playing games and singing their songs? In ¡SPANISH for AMIGOS! join an adventure of the mind, traveling to a number of countries around the world. During our travels we'll learn to speak a number of words and phrases in Spanish, learn the names of the important rivers and mountains, and we'll even run into some exotic plants and animals along the way. And to celebrate what we are learning, we'll host a "fiesta" with a taste of Latin cuisine, followed by a colorful piñata, dancing to the rhythm of salsa and merengue passing the time speaking the Spanish we have learned. Without a doubt, living this experience will change the way you see the world around you!

The Magical Changes of Matter

Do you ever wonder what happens to your Popsicle when it melts? Why does water from on the hot stove turn to steam? How can water on the ground turn to ice when it is cold? Come explore the mesmerizing changes around you through the eyes of a scientist. Discover that all things are made up of matter and this matter changes when it is heated or cooled. We will make delicious experiments and test our predictions. We will learn about observations and hypothesizing. YOU will be the Scientist.

SEEK 1599.603 01:00PM-04:00PM CCI 129
Ages: 5-6 07/10/17-07/14/17 Melanie Parr

The Sport of Fencing

Have you wanted to learn about sword fighting? This class will teach the basics of fencing, one of the original sports of the modern Olympics. Students will learn the proper method and rules for use of the foil, the traditional training weapon for fencers. Students will be taught the proper method and have the opportunity to bout by the end of the week.

July 31 – August 4, 2017
9 a.m. to 4 p.m. • Cost: \$150

Theatre and Play Writers Camp

Join us thespians and playwrights! Bring us your voice and vision. Together we will produce the summer's best play festival. Early in the week, playwrights will learn dramatic fundamentals and craft original scripts. Meanwhile players will design and build the set. Festival participants will then work together to cast parts, select props and costumes, and rehearse scenes. On Friday we will produce your plays (your imagination!) to a public audience. Pick up and drop off will be in the assigned classroom.

CAMP 1954.600 ARP 120

Jason Pasqua/
Catherine Reeves

ARCADE ELECTRONICS GALORE

Get ready to build and play your own arcade games and more. You will have at your disposal resistors, switches, wires, LED diodes, transistors and more. Do not get overwhelmed. Building with electronics is fun. You will program the spinning light fan to display different sayings. Build and play a Home Run Derby game. See who gets the most home runs before getting 10 outs. A winning song will cheer. Build circuits to test your memory. Build an electronic circuit that plays the card game 21. You can learn to program the circuit board to emit different funky sounds. Play with the disco ball, sirens, or a light show and so much more! **For ages 8 to 12.** Please bring a sack lunch. Drop off begins at 8:45 a.m.

CAMP 2600.600	MT	09:00AM-04:30PM	CCI 121
Sessions: 2	\$155	07/17/17-07/18/17	Sciensational

ALL TERRAIN TRACKER

How about some land rover excitement? Build and take home your very own All-Terrain Tracker Vehicle! It travels the rough terrain overcoming objects in its path. Sciensational Workshops will bring its own course for you to conquer. Sand, stone, twigs, and balls will be part of the challenge. How about timed races? You will also learn about gears. Work in a group with your new friends as you design a robot you can control. Build a Sumo wrestler and be part of our battle box events. Loads of fun and education in store the Sciensational way! **For ages 8 to 12.** Please bring a sack lunch. Drop off begins at 8:45 a.m.

CAMP 2550.600	WTh	09:00AM-04:30PM	CCI 121
Sessions: 2	\$145	07/19/17-07/20/17	Sciensational

Meal Prep Camp (Students entering grades 7 or 8)

This class will dedicate one day to each of the major meal times: breakfast, lunch, and dinner. Students will learn simple and delicious recipes for each meal time that they can share with their families. This is a great way to help your child take over some meal prep. They will receive all of the recipes, have the opportunity to taste them, and discuss ways to adjust the recipes to individual needs. Whether you are needing a helper or have a kid with culinary interest, this class is for them!

CAMP 2450.600 WThF 01:00PM-04:00PM

Sessions: 3 \$155 07/05/17-07/07/17
Central High School Lindsey Stutheit

Bake and Create (Students entering grades 7 or 8)

Do you enjoy baking and spending time in the kitchen? Would you like to increase your baking skills? This is the class for you! We will make a wide variety of baked goods as well as learn some fun and creative cake decorating techniques. Join us for a week of pretzels, focaccia, cupcakes, cakes, cookies, and cake decorating.

CAMP 2500.600 MTWTh 09:00AM-12:00PM

Sessions: 5 \$225 07/31/17-08/04/17
Central High School Mary Kay Bohnenblust

Culinary Camp (Students entering grades 3 or 4)

Kids will be introduced to cooking techniques including knife skills, cooking methods, safety and sanitation principles. Students will use class time to prepare food that they will enjoy for lunch each day. At the end of the week, each student will receive a "cookbook" of the recipes used during the week. Recipes will include salads, desserts, and main dishes like burritos and baked spaghetti. This is a great opportunity for kids to get involved in meal preparation!

CAMP 2350.600 MTWThF 09:00AM-12:00PM

Sessions: 5 \$225 06/19/17-06/23/17
Central High School Lindsey Stutheit

Culinary Camp (Students entering grades 5 or 6)

Students during this camp learn more advanced cooking techniques. This will include sauces, soups, and some specific knife skills. Students in this class will prepare food for themselves during the class. At the end of the week, each student will receive a "cookbook" of the recipes used during the week. This class will help students gain skills that allow them to comfortably prepare a variety of foods and recipes like fresh carbonara, baked potato soup, and fresh tortillas/tacos.

CAMP 2400.600 MTWThF 01:00PM-04:00PM

Sessions: 5 \$225 06/19/17-06/23/17
Central High School Lindsey Stutheit

KIDS CULINARY CAMP
