

Dear Laramie County Community College Board of Trustees,

I wanted to thank you for my LCCC Board of Trustees Scholarship for the 2019-2020 academic year. Thanks to the scholarship, I am more easily able to pursue my Associates Degree in Theatre here at LCCC.

If all goes perfectly, I should graduate this upcoming May. I intend to pursue further, but I have not decided for sure if I plan to move on to UW or elsewhere. I will probably decide when I have chances in the spring to have better feedback on places to go for Theatre BA/BFAs.

Thank you
