Completion Rates

Program Demand and Job Readiness

- The program performs well in the Participation (Program Demand) and Job Readiness
 - Program Demand has shown an increase over the most recent 3 year period with “student FTE” increasing from 7/13 in 2016-17 to 12 in 2018-19
 - The most recent program graduate survey indicated favorable findings for student readiness to work in field with high ratings for “educational experience” and “preparation for career” items
 - The program enjoys strong course success rates with most courses consistently recording course success of higher than 80%

Program Challenges

- The program has identified four action plan goals:
 - Curriculum redesign evaluation
 - Increasing enrollment
 - Program marketing
 - Development of program competency rubrics
