Dear President Schaffer: *Joe*

On behalf of HOPE's membership, I thank you for your support of HOPE as an Associate Member. Your partnership has provided *HOPE for a Brighter Future* for many young Hispanic students and they have had an opportunity to secure a higher education.

Last Fall, Taco John's International designated HOPE to be the recipient of their Nachos Navidad fundraiser. I am happy to report that the fundraiser exceeded everyone's expectations. HOPE received a check for \$11,124.00. Five Thousand Dollars from the proceeds will be deposited into our HOPE Endowed Scholarships at Laramie County Community College.

With our most sincere appreciation, I am,

Sincerely,

Ann Redman, President

*Thank you*
