Re: Naming Tributes

In accordance with Section 5.5P – Naming of College Spaces Procedures, the LCCC Foundation has reviewed the below candidate for potential naming opportunities on campus. We propose the following candidate for recognition on the Cheyenne campus through a naming tribute based on their financial and service contributions to Laramie County Community College.

First Interstate Bank:

First Interstate State Bank has recently completed payment on a generous gift to the LCCC Foundation to support the renovation of the Ludden Library and to support the Golden Eagle Athletic Endowment, providing scholarship support to LCCC student-athletes. These gifts have provided necessary support for two important projects and have aided the Foundation in meeting the development priorities outlined by the college. Additionally, First Interstate Bank has been generous in their support of scholarships and the Cultural and Community Enrichment Series at LCCC.

Based on their current and past support, we propose honoring First Interstate Bank for their financial support and engagement with the naming of the Clay Pathfinder Conference Room 211 on the LCCC Cheyenne campus, the First Interstate Bank Conference Room.

The Board of the LCCC Foundation recommends and supports this candidate and the identified naming tribute and looks forward to the Trustees' favorable response.
