Re: Naming Tributes

---

In accordance with Section 5.5P – Naming of College Spaces Procedures, the LCCC Foundation has reviewed the below candidate for potential naming opportunities on campus. We propose the following candidate for recognition on the Cheyenne campus through a naming tribute based on their financial and service contributions to Laramie County Community College.

Carol and Art Merrell:

Carol and Art Merrell have recently committed a generous gift to the LCCC Foundation to support the completion of the student activity lounge in the new residence hall. This gift will support LCCC's vision to complete this student dedicated space with the remainder of the residence hall and allow the space to be available to students in the Spring of 2021. Additionally, the completion of this space will allow LCCC's Esports team to have a "home" on the LCCC campus. Carol and Art, have shown a history of commitment to the students of LCCC. They have established a scholarship for students in the radiography program, they are members of the LCCC Flight Crew and have given to support the Trustees Scholarship, the Golden Eagle Athletic Endowment, Western States Bank Food Pantry and many other scholarship and program funds in the Foundation. We appreciate Carol and Art's dedication to the success of our students.

Based on their current and past support, we propose naming the student activity lounge in the new residence hall on the LCCC Cheyenne campus, the Merrell Student Activity Lounge.

The Board of the LCCC Foundation recommends and supports this candidate and the identified naming tribute and looks forward to the Trustees' favorable response.
