Human Resources
November 2019

CONTEXT

LARAMIE COUNTY
COMMUNITY COLLEGE

DEFINITIONS

- Voluntary turnover: employee-initiated separation (resignation)
- Involuntary turnover: organization-initiated separation (termination, contract non-renewal)

CALCULATION

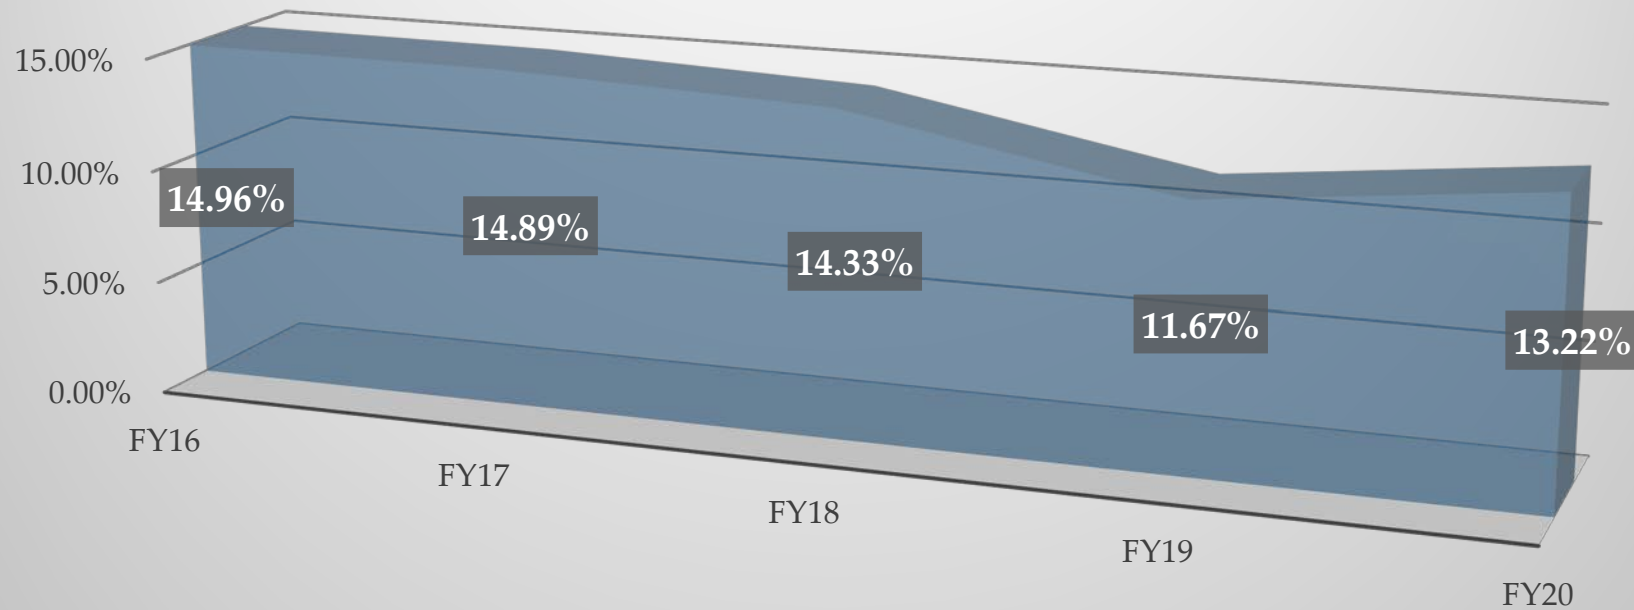

- Turnover rate = # separations / average # employees for time period
- LCCC uses IPEDS data which is reported as of November 1st annually
- LCCC does not include interim appointments or RIF
- LCCC only calculates turnover of full-time employees for data accuracy
- Annual rate is calculated based on fiscal year

BENCHMARKS

- Reporting periods vary (fiscal year, calendar year)
- Demographics vary - some include part-time employees, retirements, etc.
- Benchmarks are only available from all sources for 2018 comparison

ASSESSMENT OF LCCC TURNOVER

WHY? TOP 3 REASONS:

1. Found a better or new opportunity
2. Poor working environment, lack of perceived support
3. Retirement

(2016-2019 Exit Interview Results, approximately 25% response rate)

CURRENT

- Turnover is on low end for comparators
- Recently implemented changes, such as myPATH, are expected to improve retention

CHALLENGES

- Tight labor market for well-qualified candidates
- Unprecedented unemployment rate of 3.8%
- Millennial population decreased by 5.1% from 2014 to 2018
- In 2018, 20% of Wyoming workers were age 55 or older

LARAMIE COUNTY
COMMUNITY COLLEGE

LOOKING FORWARD

STRENGTHS

- Benefit package is very strong
- Investment in compensation plan
- Implementation of myPATH
- Strong recruiting practices – relocation

OPPORTUNITIES

- Completion of Phase III of the compensation plan
 - Will allow hiring up to the 50th percentile (projected for 2022-2023)
 - Current employees will be placed up to 50th percentile based on longevity

GOALS

- Regular analysis of workforce data, projections
- Transition from lagging to leading indicators
- Capability for proactive workforce planning
