Strategic Plan

- 1. Completion Agenda for the 21st Century** - Increase the number of students earning high-value credentials by reinventing the College's programs and services to be designed for the 21st century learners and aligned to drive the economic and social futures of Southeastern Wyoming.
- 2. Connections that Improve Student Transitions** - Strengthen relationships and connections with key community partners, such as K12, UW, other four-year institutions, and business and industry to improve student transitions between educational entities and into the workforce.
- 3. An Organizational Culture to Thrive in the Future** - Build the organizational capacity to thrive in the future by focusing on establishing a climate of trust, an effective, efficient and entrepreneurial workforce, and a culture of continuous improvement.
- 4. A Physically Transformed College** - Transform the College's physical environment into a vibrant, and appealing place conducive to the engagement of students and community through campus renovations, additional facilities, and beautiful grounds.
