This program is designed for students who hold a bachelor's degree in communication disorders or are in the final year of a bachelor's degree from a regionally accredited institution and are seeking to become a certified Speech-language Pathology Assistant (SLPA) through the American Speech-Language Hearing Association (ASHA) or the Wyoming State Board of Examiners of Speech-Language Pathology and Audiology. This credit diploma can be completed in two semesters and is based upon the American Speech and Hearing Association (ASHA) and Wyoming State Board educational and fieldwork experience requirements by providing 270 hours of clinical field work.
