

Welcome SEEK families!

Summer is soon upon us and we are happy to say we will be able to hold SEEK and Fit Kids Camp this summer! To ensure we are able to hold our programming, we have institute COVID precautions. These changes include age requirements for our classes, the drop off/pick up schedule, the day's class schedule and reduced class sizes to accommodate social distancing. At the time of this publication, we will be requiring masks in the classroom with mask breaks during lunch and outdoor play. As summer gets closer, COVID requirements may change and may require us to make changes. All of those changes will be communicated by email to the email address provided at the time of registration. Please let us know if you have any questions about the precautions we have in place.

We look forward to seeing you this summer!
Life Enrichment and Summer Youth Program staff

SEEK COVID Precautions

Please note COVID 19 requirements may change as we get closer to summer. We will follow all established LCCC guidelines in regards to COVID 19.

1. Mask will be required in the classroom. Mask breaks will be provided through the day during outdoor play and during lunch.
2. Class sizes will be limited to ensure that we can accommodate social distancing.
3. All seek class offerings will be all day. This will allow us to minimize the number of contacts that kids and teachers come into during the day.
4. Each class will have their own individual lunch and playtimes. This will allow us to be sure of a safe eating and play environment for each child.
5. Due to social distancing requirements parents will be unable to eat lunch in the SEEK lunch area.
6. NO morning communal drop off room or meeting area for afternoon pick up. All student pickup and drop off will be at the classroom.- *Please only 1 adult family member at room drop-off and pick-up.*
7. Regular outdoor play times throughout the day for mask and wiggle breaks.
8. We will be unable to host SEEK volunteers this year.
